European Workshop on Smart Objects:
Systems, Technologies and Applications

RFID-SysTech 2010

June 15th to June 16th, 2010
Ciudad Real, Spain

www.rfid-systech.eu

At RFID-SysTech 2010 an industry exhibition will be organised, which will enable companies (and other institutions) to present RFID products and systems at very attractive conditions.

Since the exhibition space is limited, an early registration is recommended.

For further detailed information please contact the RFID SysTech 2010 industry chair (M. E. Wernle) by E-Mail: [exhibition\(at\)rfid-systech.org](mailto:exhibition(at)rfid-systech.org)
